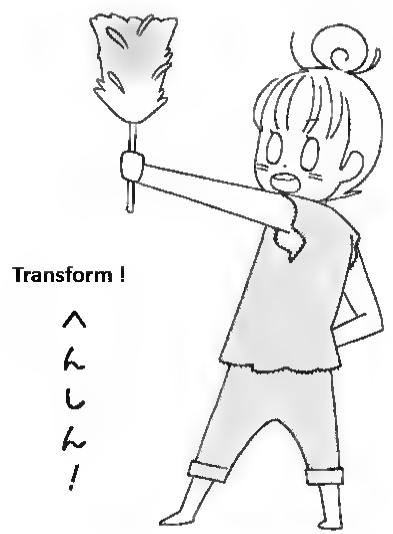
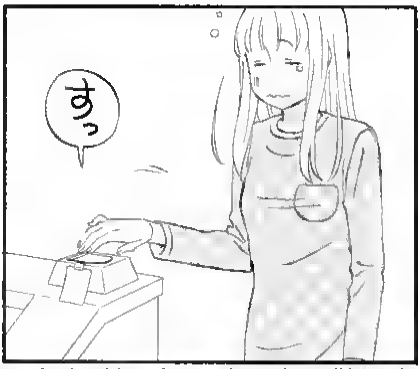
第7話 Another me



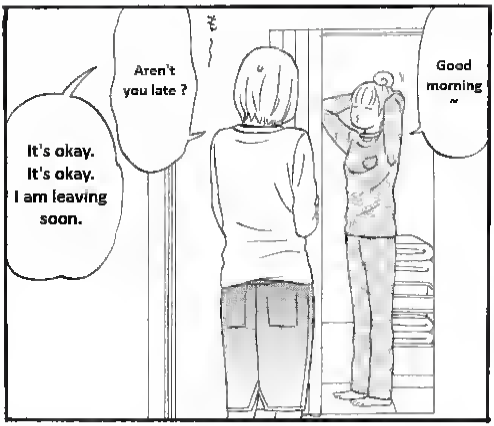
Transform !
へんしん！

Have you ever heard of this phenomenon ?
That ... much alike ... in this ...
To be honest, I've always thought that was simply impossible ...
Until this moment ...

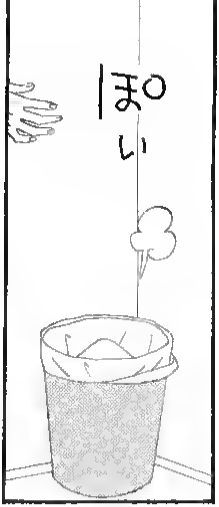
Takatsuki Minato 20 yr old.
To explain why I was in a high school uniform and was on the ground like that ...
It goes few hours back.
Minato, wake up - !
Minato -
So loud ...



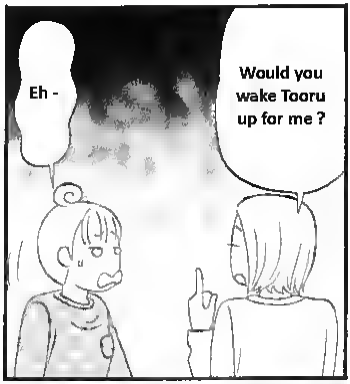
When coming upstairs, brush your teeth / wash your hands and do not forget antibacterial tissue !! (Minato)



Good morning ~
Aren't you late ?
It's okay. It's okay. I am leaving soon.

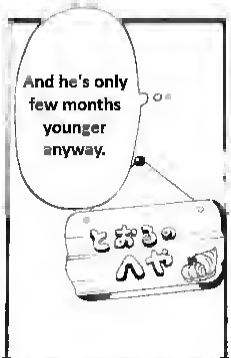


You both have a great tendency of not being able to wake up in morning. Do something. You are his elder sister.

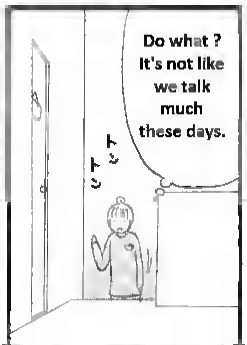


Would you wake Tooru up for me ?
Eh -

Hey -



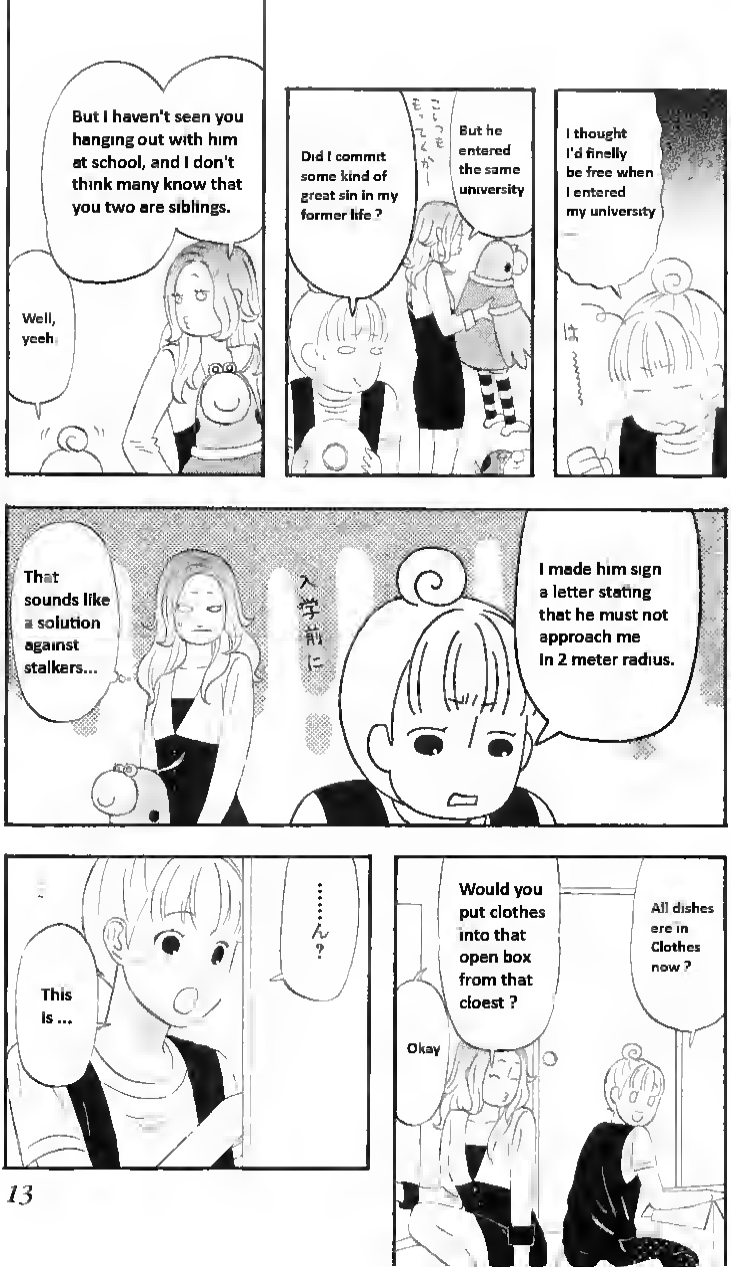
And he's only few months younger anyway.



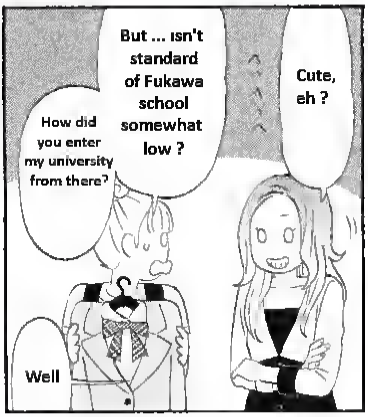
Do what ? It's not like we talk much these days.

Sorry.
If we were connected by blood, I might have found him cute or something...
You had no idea what kind of troubles I went through because we were on the same grade
トン
トン
Why not ? Your step brother is cute.

Sure, did. You had a hell of time due to your brother.
Didn't I tell you the story, Maki ?
No, wait. he's handsome rather
Don't approach Tooru !
Hey, come with us
In middle school, I had to deal with girls almost everyday !
And because we were not connected by blood, his girls saw me as the biggest threat !
Yeah !
By his so-called girl-friends.
Do something about your brother
— Because they approach me ?
When I asked him why he changed girlfriends so fast -
He thinks life is so easy and tries to take advantage!
He is completely out of control !
He is a quiet and shy type, and he doesn't even have many guy friends, but he brought in girls to his room everyday !
His girlfriends changed weekly !
I bet he will be killed by a woman soon.

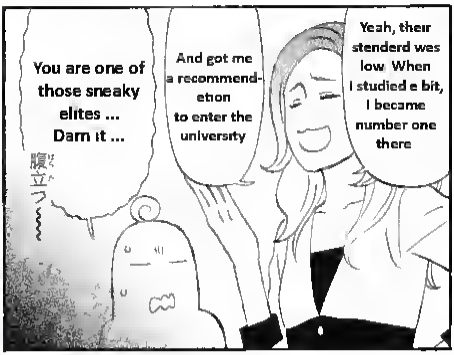


But I haven't seen you hanging out with him at school, and I don't think many know that you two are siblings.
Well, yeeh
Did I commit some kind of great sin in my former life ?
But he entered the same university
I thought I'd finelly be free when I entered my university
That sounds like a solution against stalkers...
入学前に
I made him sign a letter stating that he must not approach me In 2 meter radius.
This is ...
……ん？
Would you put clothes into that open box from that cloest ?
Okay
All dishes ere in Clothes now ?

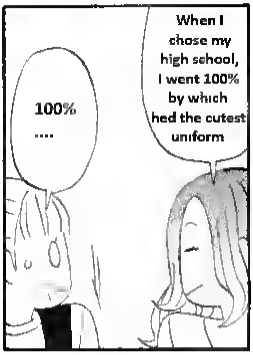


Cute, eh ?
But ... isn't standard of Fukawa school somewhat low ?
How did you enter my university from there?
Well

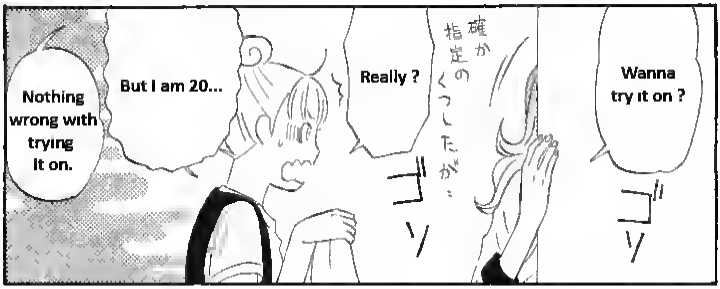
So cute !
It's the uniform of Fukawa school !



You are one of those sneaky elites ... Darn it ...
腹立つ～
And got me a recommend-ation to enter the university
Yeah, their stenderd wes low When I studied e bit, I became number one there

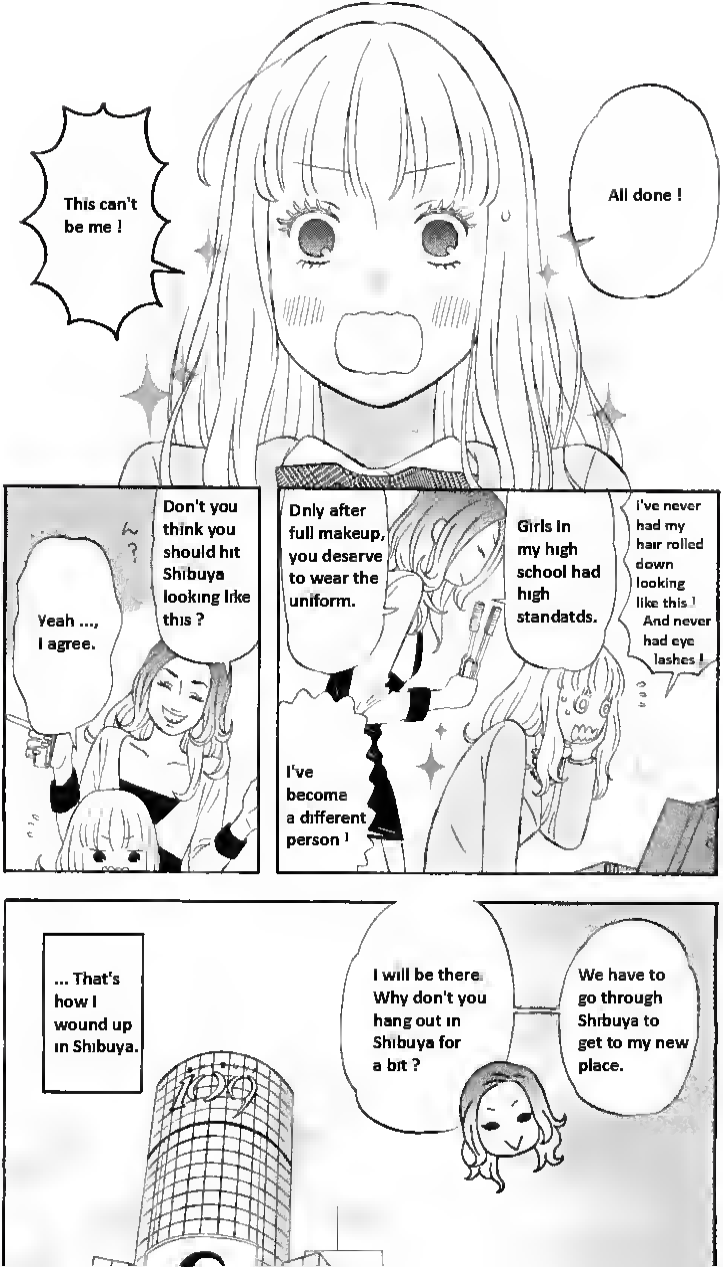


100% ....
When I chose my high school, I went 100% by which hed the cutest uniform



Nothing wrong with trying it on.
But I am 20...
Really ?
確か指定のくつしたが：
ゴソ
Wanna try it on ?
ゴソ

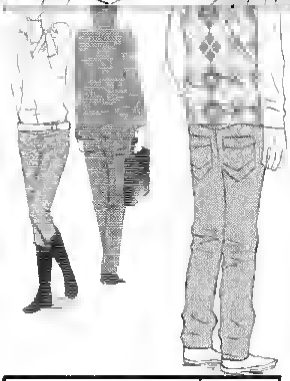
Looks good on you, after all you have a youthful face.
Oh ~~~
I am moved a little ... My high school uniform was just a plain sailor style.
Good for you.
Hmm, no, you need something else.
Come here.
?
Why don't you visit Shibuya with that on ?
Eh ?!
But that's ...
Take this school bag



This can't be me !
All done !
Don't you think you should hit Shibuya looking like this ?
Yeah ..., I agree.
Only after full makeup, you deserve to wear the uniform.
Girls in my high school had high standatds.
I've never had my hair rolled down looking like this ! And never had eye lashes !
I've become a different person !
... That's how I wound up in Shibuya.
I will be there. Why don't you hang out in Shibuya for a bit ?
We have to go through Shibuya to get to my new place.

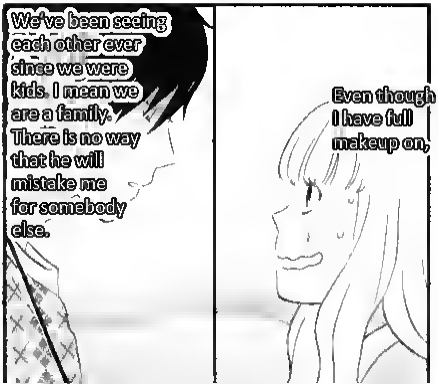
ドン
And I rushed to Maki's new place.
Eeek !

はたちにもなって
なにしてんのわたし？
的な
When I actually arrived in Shibuya, I realized how foolish I was
I am 20. What am I doing?

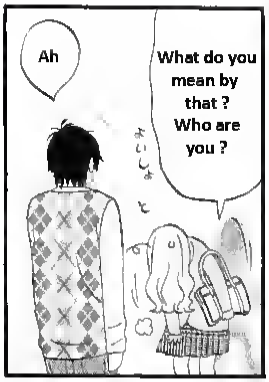


That's what happened

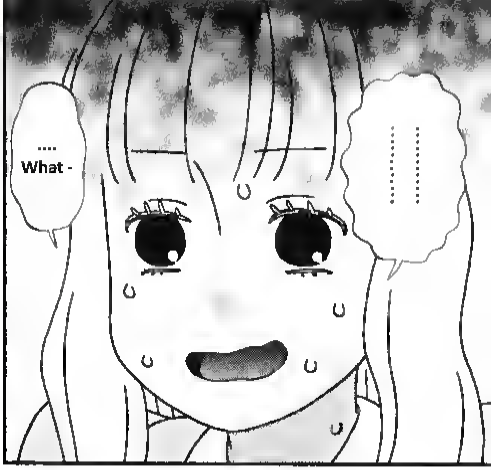
... What are you doing here ?



We've been seeing each other ever since we were kids. I mean we are a family. There is no way that he will mistake me for somebody else.
Even though I have full makeup on,



Ah
What do you mean by that ? Who are you ?
スタスタ



.....
What -
.....

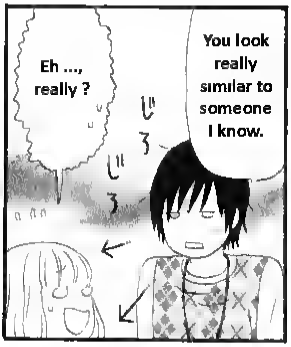
.....

?
Who are you ?

I won !
Sorry, I mistook you with someone else.

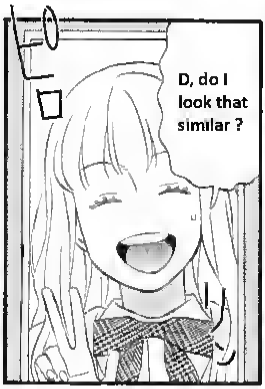
.....
しん...

There is a phrase that three identical people exist for everyone in the world.
I guess that's true !

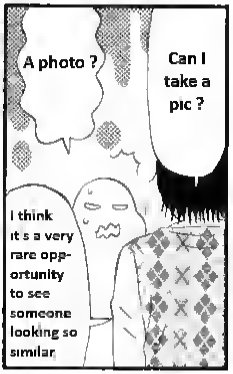


You look really similar to someone I know.
Eh ..., really ?

Show her the pic, too !
.....



D, do I look that similar ?



Can I take a pic ?
A photo ?
I think it's a very rare opp-ortunity to see someone looking so similar

Can you give me your phone # ?
Ha ?

If you don't want ..., that's fine.
Is he hitting on me now ?
This is new since he never seemed to care about girls coming and going.

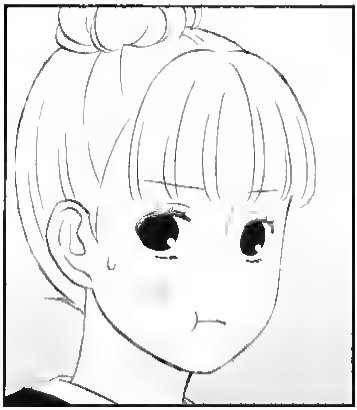
Call me later if you feel like.

I ... have a strict family. I don't have a cell.
...
I see.
Here.

HAHAHA, THAT'S SO FUNNY !

.... Sorry.
You only fall to the ground Little freak
Do you realize that you are using my new bathroom even before I had a chance to use it ?

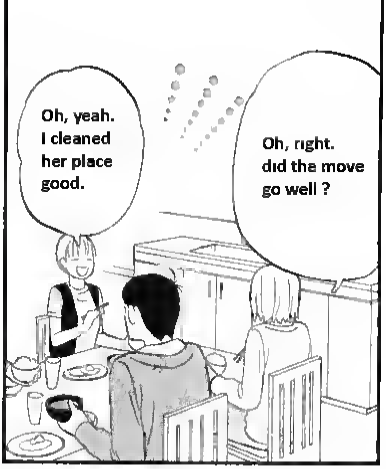
Sorry about your uni-form. I will give it back to you after laundering.
He really fell for that? That's so funny.



もぐ
もぐ
Hm, I guess he can be a simple guy despite of his rampaging second brain.
He isn't showing any reactions ... That means he really fell for it.

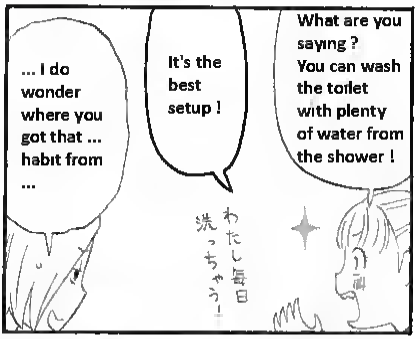
What?
Nothing.
もぐ

Her place is so nice ... Having a wash room and a bathroom in one place is so nice ...
Don't you feel that it's not spacious enough ?



Oh, right. did the move go well ?
Oh, yeah. I cleaned her place good.

I like cleanliness a little. That's all.
"A little" ?



What are you saying ? You can wash the toilet with plenty of water from the shower !
It's the best setup !
... I do wonder where you got that ... habit from ...
わたし毎日洗っちゃう！

But you've been ruhng the second floor for a long time now. I worry for Tooru.
Speakıng of which, how are you doing up there?

I don't force my ways onto others. Leave me be.
... Even if I may have forced others, you know I won't ask ridiculously.
Yes, you haven't dominated the first floor yet.

Well, I've gotten used to her ways ...
I think it's become a habit for me now...
What's with his tone ?! He is speaking like I am so inconvenient !
And habit ?!
Takatsuki Tooru

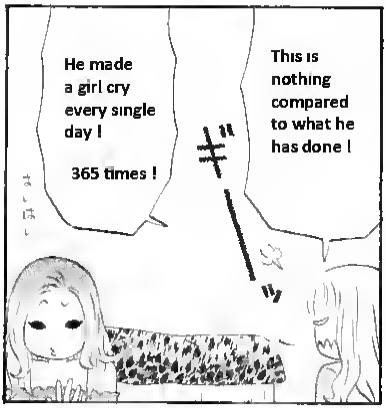
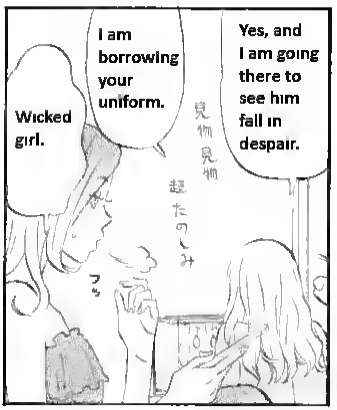
Your girl problem is much worse than mine !
ゴゴゴ
Dang it !
Hello ? Remember me ?
The girl whom you said looked so similar to someone you know.
.....
I was going to ignore this but I've changed my mind !

I was really worried .. Thank you.
... No, thanks for calling me back. Really, I mean it.
Have you forgotten about me ?
Let's hang out again in Shibuya.
Ok, ok.
Friday ?
Quit overreacting.
I bet he says that to every girl he makes out with ... What an Italian !
And his voice sounds so kind.
I am so excited !
See you.
See you at 6 by the statue.
Okay

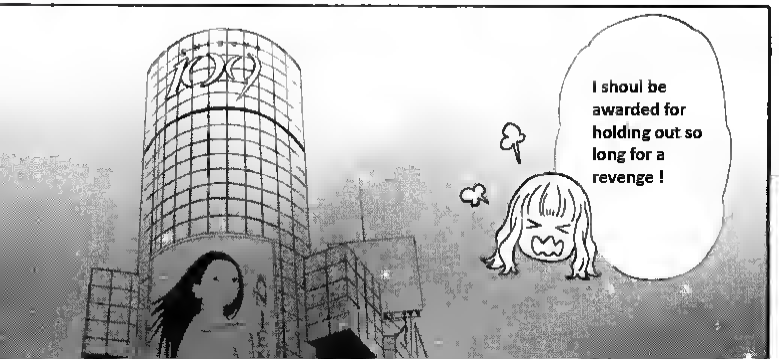
So, you plan to strike back ?



He made a girl cry every single day !
365 times !
This is nothing compared to what he has done !



Wicked girl.
I am borrowing your uniform.
Yes, and I am going there to see him fall in despair.



I shoul be awarded for holding out so long for a revenge !

Oh, there he is !
コソッ
Now, it takes to realize that being
up.
10 minutes
30 -
Ah, he is being hunted instead
An hour
Again ...

I guess he does have an innocent side...
He believed blindly that I was a simply similar looking person as his sister.
I kind feel sympathy toward him now.

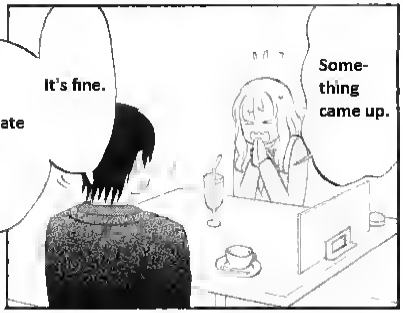
... How long is he going to wait ?
1時間半経過
1h 30

Really really sorry !

I am so sorry !

Let's ... go out there and tell him.
Well, I feel better now.
... Ok

A good lie !
I was late also.
It's fine.



Some-thing came up.

He's [illegible] the lie so good that I am having a [illegible] time breaking it.

Now, [illegible] am I [illegible] find [illegible] timing to [illegible] him [illegible] truth?

He's pretty [illegible] he [illegible] a kind [illegible] innocent side to him.

Is that what [illegible] girls fall [illegible] him ?

Just how dark has he to be if that smile is the brightest he has ?

Eh ...

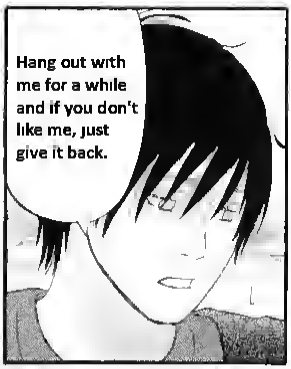
So, I brought this with me.

Yes, I thought so as well.

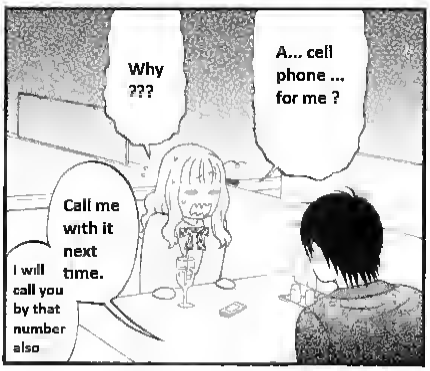
.....

Eh..., it's hard to arrange a meeting without a cell.

コト:



Hang out with me for a while and if you don't like me, just give it back.



Why ???
A... cell phone ... for me ?
Call me with it next time.
I will call you by that number also

Takatsuki Minato (20), it looks like she has gotten involved in the biggest lie of her life
Eh..., this does not sound like he just wants to be a friend ...
Please be my friend.

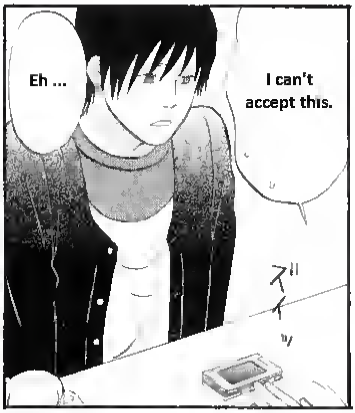
第2話 × Minato & Mina

Previous story
Takatsuki Minato, she dressed up as a high school girl and somehow ran into her stepbrother who happens to really like the lookalike.
Eventually, she was given a cell phone and ...
Please be my friend.
... She was told that.
Eh...
Um ...
It's not like I can afford the payment...
I don't think I can accept that.
あはは
No way !
I do mind !
I will pay for it, so use it however you want. Don't mind it.



Eh ...
I can't accept this.

But don't do this if you want to be a friend.
?
Then ... I will take this.

Uh ...
Whether you use it or not, I will still have to pay for it for 2 years.
I signed a contract already

You don't have to ....
I will try to pay the monthly fee, so let me know how much later.
No friends would do this !

He prepared a cell phone for someone whose name he didn't even know ...
I haven't asked your name. What's your name ?
Name ... Name ...

Name ...
Eh ?

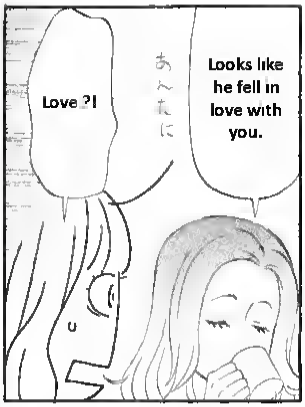
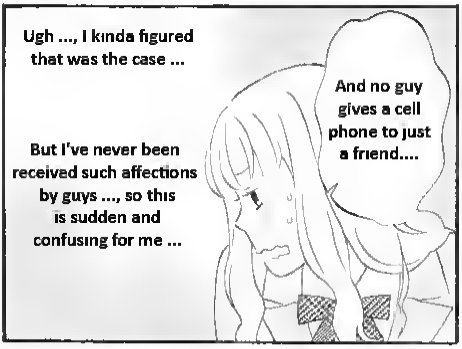
So much pressure!



Looks like he fell in love with you.
あ～ん に
Love ?!



Ugh ..., I kinda figured that was the case ...
But I've never been received such affections by guys ..., so this is sudden and confusing for me ...
And no guy gives a cell phone to just a friend....

But he thinks you as just a lookalike.
But I am his sister !

That was what I was told, but it looks like he may be not.
And you do know that he is a playboy !

Well, he was ... pure.
...I he was cute back in the old days...
I find him so cute ~ I Falling for a lie like that.

Minato, this is Tooru.

That means I am going to be his elder sister !
You are the same age of Tooru, but you are few months older.
I was really [illegible] at that time ..., thinking that I was getting a brother...
Hello !

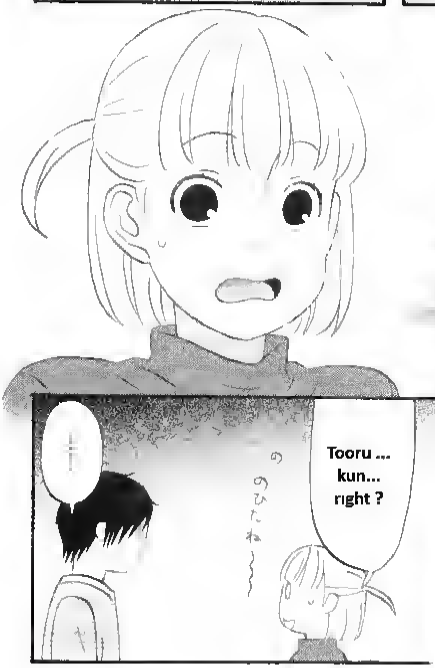
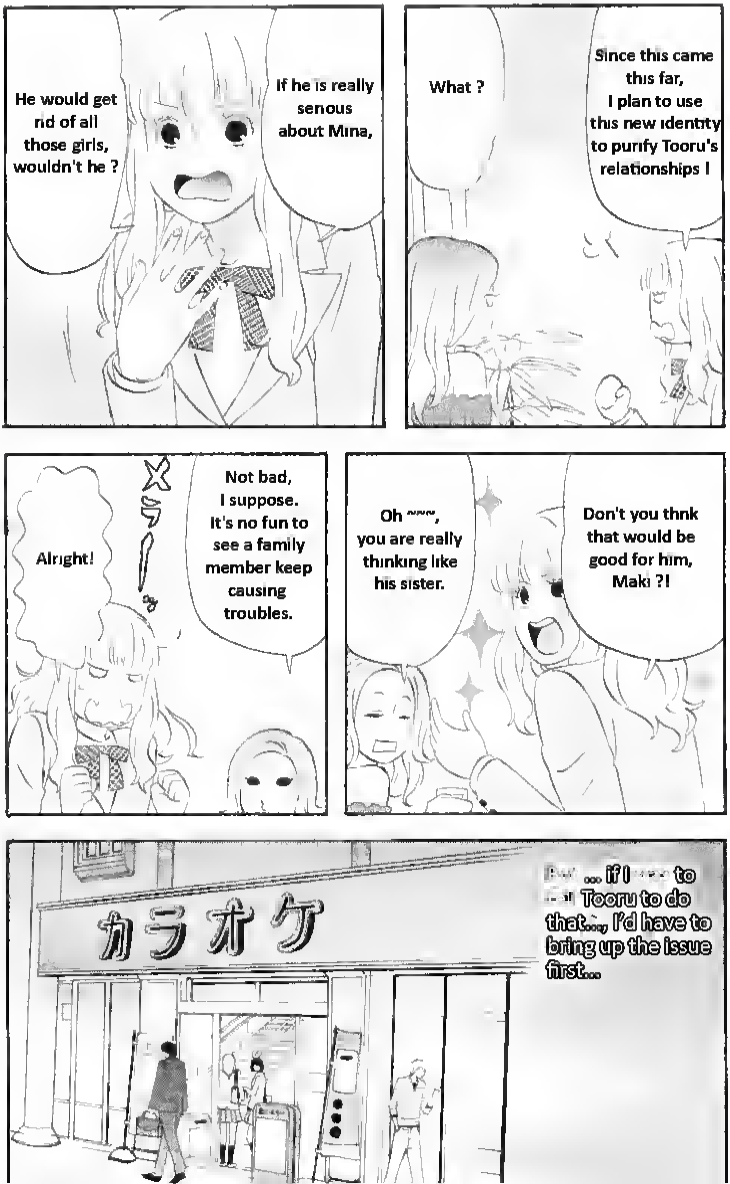
we met again as
family.

My first impression was that he was a brightly smiling kid.
We met few times and
together...



Tooru ... kun... right ?

Maybe, it was his puberty.
He had become a completely different person.
His true quality was awoken.
He slept with girls and dumped them soon after.
When he entered middle school,
.....
Mm ?
Alright -
But ... if I exclude his girl problems, overall, he is an okay guy.



He would get rid of all those girls, wouldn't he ?
If he is really serious about Mina,
What ?
Since this came this far, I plan to use this new identity to purify Tooru's relationships !
Alright!

Not bad, I suppose. It's no fun to see a family member keep causing troubles.
Oh ~~~, you are really thinking like his sister.
Don't you thnk that would be good for him, Maki ?!

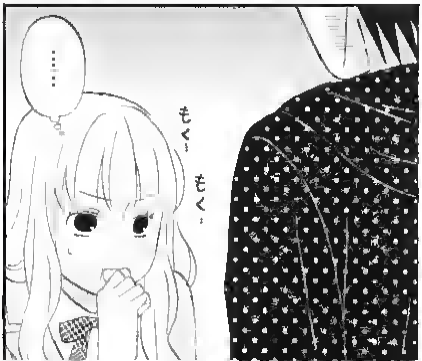
Only I've been singing. Why don't you sing ?
I am bad at singing, so it's okay.

Phew

Let's take a break.
Yeah.
I am gonna eat!

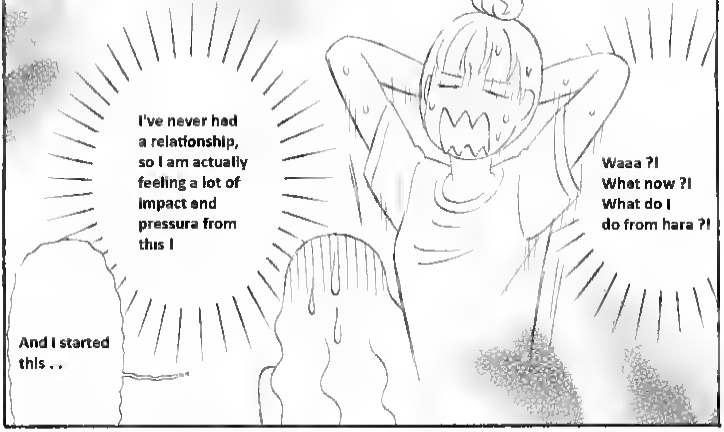
It's entertaining to listen Mina sing.
... If I knew that, I wouldn't have come here.



……
もぐ、もぐ、

What do you think about me, Tooru ?
Hm ?
... You know, I've been wondering
If I misunderstood his hospitality...
If ... he answers that I am just a friend, my plan won't work ..
.....
This could turn out to be quite awkward ...
What are you thinking?

Straight forward !
Eh ...
If I say I like you ..., would you dislike me ?
Y, yeah?
I kind of expected that reply, but the impact of actually listening to it has quite an impact.
He's gruff even when he's saying stuff like this ...
.....



I've never had a relationship, so I am actually feeling a lot of impact and pressura from this !
Waaa ?! What now ?! What do I do from hara ?!
And I started this . .

If ... I suggest that wa antar a ralationship, would you say yes ?

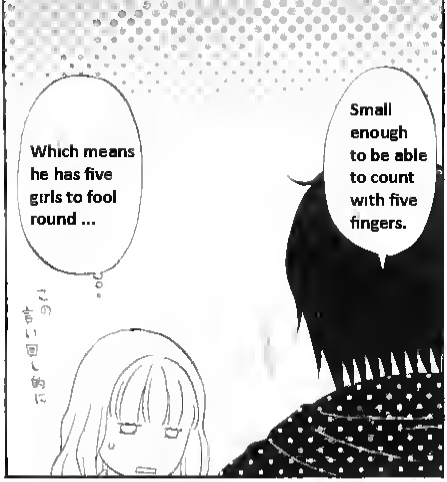
I won't get angry. Don't worry.

It's not like we are in a relationship right now



Which means he has five girls to fool round ...
Small enough to be able to count with five fingers.

It's just bad.
You are really going to drop them, aren't you ?
Even if I am not going out with you in the end.
Ok

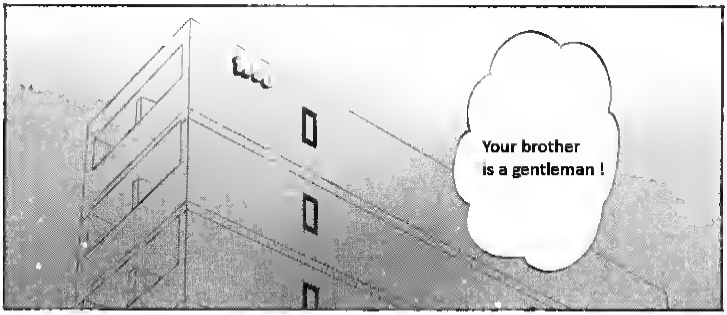
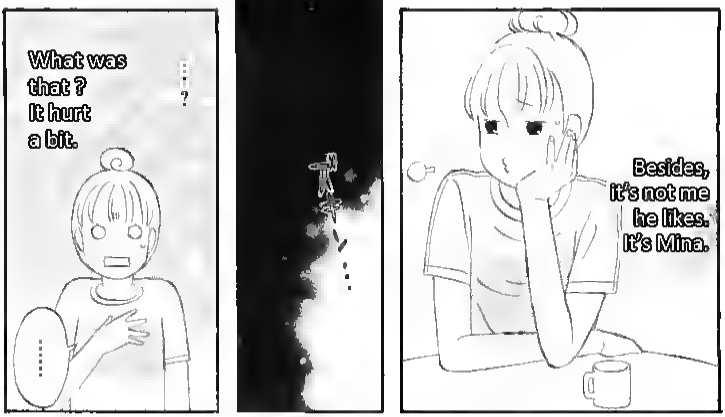
Then I will wait until you are ready.



Your brother is a gentleman !

I feel like I keep telling you this He may be only a "step" brother, but he still is a brother!
Why not just go out with him already ?
He is not pushing around which means he is quiet serious



What was that ? It hurt a bit.

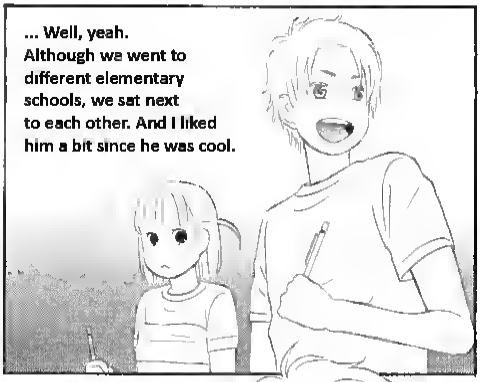
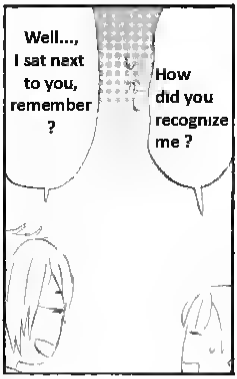
How long has it been ?



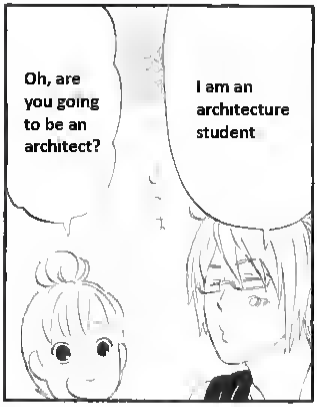
... Well, yeah. Although we went to different elementary schools, we sat next to each other. And I liked him a bit since he was cool.



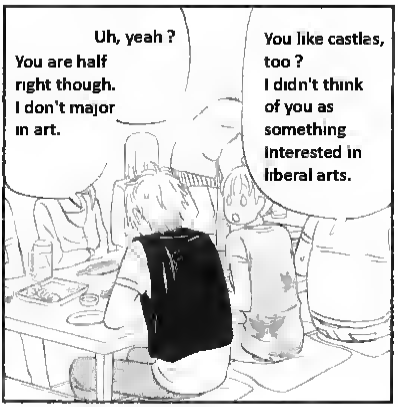
Well..., I sat next to you, remember ?
How did you recognize me ?

But I think Karasuma is still cool.
I didn't notice before because of Amane senpai's mysterious aura.

But he still remmebered me. How nice of him.
We didn't even talk much back then.

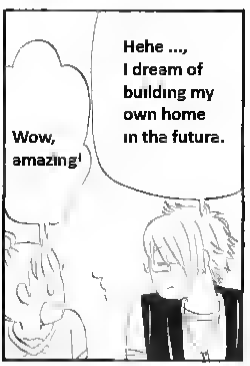


Oh, are you going to be an architect?
I am an architecture student



Uh, yeah ?
You are half right though. I don't major in art.
You like castles, too ? I didn't think of you as something interested in liberal arts.

Hahaha
If you do build one, would you let me clean it at least once ?



Wow, amazing!
Hehe ..., I dream of building my own home in the future.

I bet tons of dusts are settled on there.
When you look at ceiling of a castle, you see complex construction, don't you ?
One day, I want to clean a castle !
Yep, I love cleaning.
Clean?
I want to clean them out good !
Ah ? By [illegible], am I being understood as a fool or something?
I just thought that ... Ube is funny.
What's with that face ?
I am glad to meet you again.
I was too nervous to talk to you back then.
